## THE MESSENGER

EMC's primary publication is available in print and online. *The Messenger* continues its mission to instruct, inform and inspire as it has for 59 years. You will find feature articles addressing a range of topics related to living for Christ, inspirational missionary and church news and thought-provoking columns from a variety of EMC writers. To receive notification of new articles go to [www.emcmessenger.ca](http://www.emcmessenger.ca) and click follow.

## THEODIDAKTOS

EMC's theological journal is published periodically (normally twice annually) and is available in print at your church or the EMC website. Theo brings together EMC leaders to discuss theological issues relevant to the church now.
